## TERMS AND CONDITIONS OF CONTRACT

1. The 2011 stud fee of \$1250.00 per vial of frozen semen is due and payable to the Stud Dog owner prior to shipment, unless other arrangements have been made in advance. **ALL STUD FEES ARE NON-REFUNDABLE.** Initials \_\_\_\_\_
2. If PayPal is used as the method of payment, add an additional \$40.00 to stud fee to cover the PayPal service fee.
3. The following necessary paperwork will be sent with the signed contract:
  - a. Copy of CERF certificate current within 1 (one) year.
  - b. Copy of OFA certificate or, if prior to 24 months of age, an OFA Preliminary report.
  - c. Pedigree, Copy of AKC & ASC registration papers and a color photo of the bitch for our files.
  - d. List of all vaccinations, including a current rabies certificate and statement that the bitch has been wormed with within the last 60 days.
4. All breeding will be done by artificial insemination. The bitch owner is responsible for all expenses relating to shipping of the frozen semen as well as the expenses for the bitch being inseminated. If no puppies result from this breeding, there will be no reimbursement of any fees. Advance notice does need to be given so we are able to contact the Veterinarian who is storing the semen in order to have a shipping container available. A credit card number will be supplied to the Veterinarian for them to ship frozen semen to the bitch owner's Veterinarian. If no puppies result from the frozen semen, no additional frozen semen will be shipped unless the bitch owner agrees to be responsible for all shipping expenses again. The bitch owner will pay the \$1250.00 (US) stud fee for **each** breeding. The Bitch owner will be responsible for all expenses as stated above. Initials \_\_\_\_\_
5. The Stud Dog Owner **MUST** be notified of the number of puppies whelped within 24 hours of the whelp. Initials \_\_\_\_\_
6. If a pick of litter puppy is to be given in lieu of a cash fee, a separate contract will be signed and attached as an amendment to this contract. Amendment Attached: \_\_\_\_\_(yes or no)
7. Owner of the Bitch hereby agrees that any excessively white marked pups (i.e. white ears, white over eyes, white body splashes, white stifles carrying up into the body color) will be sold as pets to be neutered or spayed and are not to be sold to show or breeding homes unless the owner of the Stud Dog agrees, in writing, that such a sale may be made. Initials \_\_\_\_\_
8. The owner of this Bitch warrants that this bitch has not been exposed to any stud dog prior to the artificial insemination and that the bitch owner agrees to keep said bitch confined for the duration of her heat cycle so as not to be bred with any other dog. If this does happen, bitch owner will have all resulting puppies DNA tested to verify the sire prior to litter papers being signed. All expenses will be the responsibility of the bitch owner. Initials \_\_\_\_\_
9. Offspring from this breeding will not be sold in puppy stores, thru a broker, a retail outlet, any commercial affiliation, or on the internet via [www.puppyfind.com](http://www.puppyfind.com) or similar types of WebPages. A penalty of \$5,000.00, per puppy will be paid to the stud owner immediately if this term is violated. Initials \_\_\_\_\_
10. Offspring from this breeding will not be registered or used for breeding in any registry other than AKC and ASCA (without written permission from the stud owner) nor sold to or made available to anyone whose breeding program includes "mini" or "toy" aussies. Violation of this clause will result in a \$5000.00 penalty (for each non-approved registry and for each puppy) paid to the Stud Owner immediately upon request from the Stud Owner.
